**JOINT MOTION TO MODIFY PROCEDURAL DATES**

Trinity Christian Center of Santa Ana, Inc., d/b/a Trinity Broadcasting, Inc. ("TBN"), the Glendale Broadcasting Company ("Glendale"), and the Mass Media Bureau ("MMB") (jointly "Movants"), by their undersigned counsel hereby respectfully request that the Presiding Officer modify the procedural schedule set forth in his Order, FCC 93-528, released August 17, 1993 ("Order"), as described more fully below. As grounds therefor, Movants jointly state as follows.

1. Movants are also parties to Trinity Broadcasting of Florida, Inc., et al., MM Docket No. 93-75 ("Miami proceeding"), in which qualifying issues against TBN and Glendale are presently being tried. The parties in the Miami proceeding have recently

concluded four weeks of hearing sessions, and further hearing sessions in that case are scheduled to resume on January 10. The upcoming hearing sessions will likely last at least two additional weeks. Moreover, the parties have yet to commence discovery or litigate the additional basic qualifying issue added against Glendale in the Miami proceeding.

2. It is apparent that no one could have anticipated in August, 1993, when the Presiding Judge established the existing procedural schedule in the Monroe case, that the hearing in the Miami proceeding would continue well into 1994. Movants submit that, under the existing Monroe schedule, it is entirely unworkable to undertake discovery and to simultaneously litigate both the additional Glendale issue in Miami and the Monroe proceeding. Therefore, if the Monroe procedural schedule is not modified, the trial and resolution of the additional Glendale issue would be substantially delayed. Movants believe that such a result would not be in the public interest.

3. Accordingly, Movants request that the Presiding Judge modify the procedural schedule in the Monroe proceeding. Movants are filing concurrently herewith a similar motion in the Miami proceeding requesting the Presiding Judge to establish the procedural schedule set forth below relating to the Glendale Issue. Movants believe that coordinating the schedules in the Monroe and Miami cases will facilitate the expeditious resolution of each proceeding and minimize any conflicts that might arise with respect to demands on the time and resources of counsel, the Presiding

Judge, and the principals. It should be noted that under the proposed dual schedules, the hearing in the Monroe proceeding would commence immediately upon completion of the hearing in the Miami proceeding.

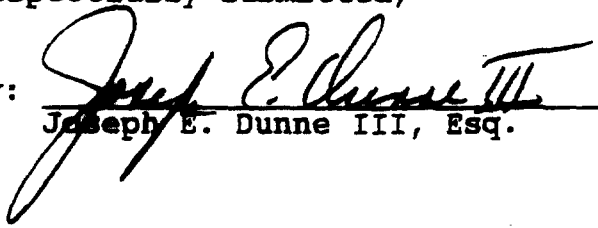

4. The Movants' respectfully request the Presiding Officer to modify the Monroe schedule as follows:

<u>Date</u>	<u>Miami Docket</u>	<u>Monroe Docket</u>
2/11/94	Request For Documents	
2/18/94	Objections to Document Requested	
2/25/94	Motions to Compel	
3/11/94	Ruling by Presiding Officer (Estimated)	
3/18/94	Production of Documents	Submission of Non Public Witnesses Affidavits
4/29/94	Completion of Discovery	Same
5/20/94	Exchange of Direct Case Exhibits	Same
5/27/94	Notification of Witnesses for Cross Examination	Same
6/3/94	Objections to Notifications for Cross Examination	Same
6/13/94	Commencement of Hearing	
6/7/94		Commencement of Hearing Immediately Upon Completion of Miami Docket

5. Given the procedural schedule in this Proceeding the Movants respectfully request that the Presiding Officer rule on this Joint Motion as soon as possible.

Respectfully submitted,
